

**Mr Abhyuday Jindal**  
**Managing Director, Jindal Stainless**

A Boston University graduate in Economics and Business Management, Mr Abhyuday Jindal has wide ranging experience in the areas of project management, supply chain systems, and strategic & general management. Currently, he is the Managing Director of Jindal Stainless. He is also the Co-Chair for FICCI's Steel Committee, Sr. Vice President of the Indian Chamber of Commerce, and the Co-Chair, Advisory Council of the Corrosion Management Division of CII, endeavoring to forge stronger and wider public-private partnerships.

Mr Jindal started his career with the JSW Group. There, he played a prominent role in the stake acquisition of Ispat Industries and the post acquisition integration of JSW and Ispat. He then moved on to the Boston Consulting Group, where he managed project consultancy for diverse industries, including cement, steel, wind turbines, and auto components. Having gained a deep understanding of the industrial manufacturing arena, Mr Jindal entered the USD 4.30 billion in FY23 Jindal Stainless consortia.

Driven by the ambition to go beyond the ordinary, Mr Jindal took multiple strides in improving supply chain and operational efficiencies. Today, he is shaping Jindal Stainless into a far more dynamic, responsive, predictive, and solution-based organization. As a leader in the stainless steel landscape of the country, Mr Jindal has explored and unlocked new avenues for providing stainless solutions to stakeholders with the vision to improve lives. Helmed by him, the organization has built uncontested market leadership, and made foray into new fields. It was under his stewardship that the Company bolstered its unique competitive advantage in the manufacturing of special stainless steel grades for nuclear and defence sectors.

Strongly rooted in the Indian soil, Mr Jindal's community-centric transformational approach has led to the development and sustenance of several empowerment initiatives in and around its production facilities. He personifies open and participative management, a consistent culture of dialogue and feedback, and a relentless march towards continuous improvement.
