Mr. Gyanesh Chaudhary
Chairman & Managing Director

*A **visionary leader in sustainability**, Mr. Gyanesh Chaudhary **established Vikram Solar in 2005**, building it to a **leading force in India's green energy sector**. Under his leadership, the company has built a robust module manufacturing capacity of **15.5 GW**, **with 9 GW of solar cell manufacturing under construction**, charting an **ambitious fourfold growth trajectory in under five years**. This rapid expansion underscores Vikram Solar's emergence as a top-tier, scale-driven solar technology player and a key contributor to shaping India's clean energy future. He is also leading the Group's integrated clean energy play through **VSL PowerHive**, Vikram Solar's energy storage arm focused on advanced-chemistry cells and battery energy storage systems (BESS).*

*Mr. Chaudhary is a **business graduate from Cardiff Business School**, University of Wales, Cardiff, UK and **studied Marketing and International Trade from Boston University**. He further **completed the OPM (Owner/President Management Program) from Harvard Business School, USA.***

***He holds prominent positions across various industry bodies**. He is the **Vice President of the Indian Chamber of Commerce (ICC) for 2026-27**. He is also the **Co-Chair** of the **ICC National Expert Committee on Energy** and the **Chair of ICC's Expert Committee on Future Energy for 2026.** He is a **member of the Confederation of Indian Industry** (CII), an **elected council member of the CII Eastern Region Council for FY 2026-27,** and a **member of the CII India CEO Forum for Clean Air**. He is also chairing **CII's Eastern Region ESG Sub Committee** for **FY 2026-27.** He was also a Co-Chair of the **World Economic Forum's Energy Forum 2026** in Geneva.*

Mr. Chaudhary has received several awards and accolades for his contribution to the green energy transition**. The extensive list includes **Export Excellence Awards** by FIEO **from the late Shri Pranab Mukherjee,** former President of India; **Star Performer Award** by Central Board of Irrigation and Power **(CBIP) for the Best Contribution in Solar Energy from the late Shri A. P. J. Abdul Kalam**, former President of India and the **Bengal Chamber of Commerce and Industry (BCC&I) Entrepreneurship award** are some amongst several other accolades bestowed upon him. **He was also conferred** the **Visionary of the Year in leadership category in the Solar Quarter State Leadership Awards 2024 – Rajasthan.

*Mr. Chaudhary is a **strong believer in human empowerment for national and worldwide growth**. Mr. Chaudhary's **pursuit of giving back to the community is central to the company's business ideology** with **focus on building educated, healthy and self-sustaining communities**.*
